

Mullion Community Primary School

We have had a busy time in school this week which finished with our Year 6 children taking part in Bikeability today. It was an absolute delight to see them all on the playground, exploring how to use their bikes safely with instruction on aspects like using both brakes, getting peddles at 2o'clock to set off and how to stop before a line. This is such an important skill that will prepare them for managing their own safety. Next week the first groups will progress to level two, so if you see them cycling around the village with Martin, please given them an encouraging smile! Year 5 Bikeability is on Friday 14th October. If your child wants to take part then we must have the pre-assessment forms back please.

We have had a few children off with bugs this week so have stepped up handwashing and hygiene in school. It is that time of year when the winter bugs start to creep in so please help to keep these at bay. This year's Nasal Flu Vaccination programme for is taking place in school on Thursday 20th October. This is for all children from reception to Year 6 and is a nasal spray. Letters will be sent home with further information.

Finally, a heart-felt thank you for your support with the online School Vision form. There have been lots of responses which really shows me how much you all care about your children's personal growth and education. It has truly made my first few weeks of Headship so purposeful. I have used the ideas from the children, parents and staff to successfully write our school's vision in the form of a Mission Statement with 4 key aims. The mission statement guides us all on our decision making and is a big part of developing our culture around the children. This also shapes our curriculum and the 4 key aims will be the golden threads that we weave through, making our school individual and giving us the tools to make learning connect with the children. The children, staff and I would like to invite you all to save the date of **Wednesday 12th October** as we will be hosting an **Open Evening** from 3.30pm -4.30pm and 5.30pm- 6.30pm. More details will follow shortly. It is set to be an exciting evening where we can launch our school vision and we cannot wait to welcome you all in!

Mrs Read

School Council News

Mrs Higgins will be meeting the school council next week to begin their leadership work. They are going to be working around our 4 key aims to help our children to develop. What an exciting journey they will have this year!

Pupil News

We would like to officially welcome our new Reception children to Mullion primary School. The picture may have taken 20 attempts, but it was worth it. What a lovely bunch!

CoNgRaTuLaTiOnS to Glyn Marsh-Jones who became our first word millionaire after just 3 weeks of being back in school. He has read with envious enthusiasm over the summer, devouring books on a daily basis!

If your child has something special they'd like to celebrate or share with us then please do send it in or email me at:

Bikeability in action

Community News

Mullion Community Larder has now moved to the Cricket Club and is open on a Wednesday between 0830 to 0930. The larder is all about committing to supporting communities and reducing food waste. It is free, open to everyone in the community and welcomes you all to come along and take what you need.

Donations are also welcome but not required. You can find out more about the initiative at:

<https://www.facebook.com/HelstonCommunityLarder/>

Reminders

Children taking part in Monday's Football Club need to wear PE kit, trainers and shin pads and have 3G compatible football boots for the matches at Helston School. The first match is on Monday 3rd October.

A polite reminder that the Cauliflower card deadline is 3rd October.

Primary and Secondary School Applications are now open for September 2023 starters. Please visit:

www.cornwall.gov.uk/admissions
