

Mullion CP School News 1st July 2022

School Council News

We are pleased to announce the elected members of our newly formed School Council. In KS1 Victor, Martha, Betsy and Ryan. In KS2 Amelia, Toby, Rafi, Glyn, Logan, Erin, Dougal and Izzy. They are the communications team and represent the voice of all the children in the school. Within that team other roles have been allocated that include the technical team, the action team developers, the question finders, the progress board updaters, the staff liaison team and the governor team. All children can volunteer to take part in an action group. Our current groups are working on school dinners and playground pals. Progress reports will follow in the next newsletter.

David Hill Paralympic Swimmer and Triathlete Visit

We were very lucky to have David Hill visit school this week. He is part of Sports for Schools who raise money for resources that promote and inspire children to take part in physical activities. David was born without a left forearm but by the age of 3 was earning swimming badges and entered his first competition aged 8. He has since won numerous medals and competed in the Paralympic Games and World Championships amongst others.

Jayden and Tobin from Year 6 wrote—David Hill is a Paralympian Athlete who mainly competes in triathlons. When he visited our school he taught us one of his workout cycles (shortened) and told us even though he was born without his right forearm, he believes that there is no such word as can't.

School Uniform

School uniform is an important part of school life and promotes equality amongst our pupils. It also reinforces a sense of pride in our school. Across the school, we are seeing numerous children attending in non-uniform. Please can we remind everyone of our uniform policy, a copy of which has been sent along with this newsletter. This also applies to PE days where children should wear a t-shirt the colour of their house team, shorts/leggings/jogging bottoms and a school jumper with sensible sports shoes. Our uniform suppliers continues to be Whirlwind Sports. From September, we will be reinforcing uniform expectations routinely and ensuring that all pupils are following our uniform policy. As this is often a time of year when new uniform is purchased, ready for the new academic year, please make sure you have checked uniform lists before buying any new items.

Well Done Shells!

Mullion CP School News

We are really excited to be inviting parents and carers back to sports day this year after several years of lockdown restrictions. The event is set to be a great afternoon of sporting activities and races. We will be holding it on the school field from 1pm on Monday 11th July. Should the weather forecast prevent us from using this date, the rain off date is on the 12th July.

Spectators can arrive at school from 12:45pm until 1pm—we would be really grateful if you could stick to these timings as closely as possible as we will need to keep the school gates locked for security reasons.

Can you please ensure your child comes to school in their PE kit and with sun cream and a hat or a raincoat if the forecast isn't looking great. Children will also need to bring a refillable water bottle.

We look forward to seeing you all on the 11th July.

KS2 Summer Cluster Games

Congratulations to all the children who took part in the Summer Cluster Games at Mullion School on Thursday. Nearly 50 of our children took part in various events. Four of our children received medals for 1st place: Gruffydd in the Yr 3 sack race; Lily M in the Yr 3 long distance; Rudy in the Yr 4 sack race and Leo in the Yr 6 throwing competition. Alexandra and Snowden from year 6 wrote:

Yesterday a group of Mullion children went up to the high school to compete in a competition against other primary schools. There were many categories to compete in. Over all we came second and some of us even got medals! We were all proud of ourselves as we tried our absolute best and were smiling the whole way through.

Friends of Mullion Primary School

We just wanted to introduce ourselves and say a quick "Hello!" from the newly formed PTA.

We are slowly but surely getting back to some kind of normality which means we can organise more fundraiser for the school and provide our children with much needed educational supplies and equipment and hopefully have some fun along the way! The PTA will be back at sports day this year selling tea, coffee and cakes. If you would like to donate some of your tasty bakes (or shop bought, no judgement here!), please bring them in on the morning of the 11th July. Thank you so much for your continued support, we are hoping to have a catch up with you all soon so we can chat about what you'd like to see from the PTA moving forward. Thank you!!

Chair—Jamie Coombe, Vice Chair—Rebecca Pascoe, Treasurer—Carly Lawrence, Secretary—Jo Morris

Mullion Summer Extravaganza

Everyone is invited to the Mullion Summer Extravaganza which is taking place on the 31st July at 12pm at Mullion Football Club. There is now more detail for the fancy dress competition and children who wish to participate can dress as a fruit, vegetable or flower. There will be prizes for

different age groups. There will also be a

barbecue, stalls, displays, an auction and

CONGRATULATIONS to

Liam Breame

Our 6th Word Millionaire this year!

Visit from our PCSO

Police Community Support Officer, Julia Berry, visited school last week to speak with our year 5 and 6 about anti-social behaviour. The topics covered included what anti-social behaviour is and the different types of anti-social behaviour. She also spoke about the victims and the effects on that person both emotional, physical and financial. The children asked some interesting questions which Julia went on to discuss with them.

Mullion Community Larder

We hosted the first Mullion Community Larder on Wednesday 29th June. Community Larders are a really good way to tackle food waste locally, distributing food from supermarkets, local farmers and other local businesses that is perfectly good to eat, but would otherwise be thrown away. The larder is open to everyone and will be back on a Wednesday morning outside school until the end of term so please come along and take what you need. Donations are also welcome but not required. For more information about the initiative please go to: https:// www.facebook.com/HelstonCommunityLarder/

If your child has achieved anything outside of school e.g. sporting events, music, art, fundraising etc please send information to secretary@mullion-ji.cornwall.sch.uk as we would love to hear and share your stories in our newsletter.

Confidence

Self-confidence is trusting in yourself and believing you have what it takes to deal with different situations, whether it's at home or school or in your community. When you try new things with self-confidence you gain new experiences, you can discover your, talents and the things you enjoy.

Having confidence in someone is believing in them; it means that you can rely on them and trust them whole heartedly. Confidence can also be trusting that things will work out in the end when you do something that might be difficult or scary.

CLASS NEWS

Pebbles and Shells

Pebbles and Shells class had the pleasure of going to Poldhu beach this week . Year 1 and 2 walked from school to the beach while EYFS got a minibus. We had a fantastic time, building sandcastles, eating ice cream and having lots of fun. The children were perfectly behaved and we were very proud of them. We have also been watching our caterpillars in class morph into cocoons this week. They will hopefully spread their wings as butterflies next week.

Brianna and Victor from Pebbles said "we really enjoyed making sandcastles, rock pooling, eating biscuits, running and racing, we both had a vanilla ice-cream". Victor also loved going in the minibus.

CLASS NEWS

Starfish

Starfish have had a great couple of weeks and have been busy completing their mid half-term KIRF quiz. It has been very heartening to see how much they have improved. The children really enjoyed their bread making and hopefully you were able to sample the results of their hard work.

In English, the children are following up their guided writing on the water cycle by independently describing the life cycle of a plant.

We are all looking forward to visiting The Horticultural show to see our artwork on display. If you have the time, please come along to the cricket club on Wednesday afternoon 2 pm onwards to see how talented your children are.

Miss Hayhurst, Miss Johns, Mrs Reid, Mrs Rosevear, Mrs Russell

Footprints

It has been a very busy few weeks in class with our usual learning, sporting events and passion projects. Although we have not yet had time to present all our passion projects, what we have seen so far has been incredible! After we have shared them in class, we have agreed to put on a gallery in the hall for other classes to come and explore. I could not be any prouder of the children for what they have achieved. Most importantly, they are proud of themselves too.

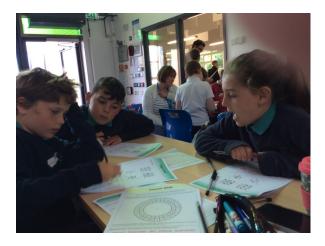

Mrs Read and Mrs Morris

CLASS NEWS

Waves

On Thursday, Miss Francey took three of our Year 5 children to the NEXUS campus in Camborne. Chase, Jago and Maddie took part in a series of maths workshops and challenges throughout the day alongside around 170 children from across Cornwall. They faced some challenging subjects and faced them with a determined attitude! There will be more opportunities to take part in NEXUS masterclasses for Year 6 children in the new term. We will share this at a later date.

Mrs McKellar-Savage, Miss Francey, Miss Harding

Surfers

It may have been a wet and windy Tuesday, but that did not deter our Surfers this week! They pulled on their wetsuits, strutted along the beach and jumped into their speedboats (with all the style of James Bond) ready to sail into the rain. Well, they may not have been able to actually sail that day, but they did kayak like trojans and use a Mega Sup as a diving board. I don't think we have ever heard Surfers laugh as much (and they are generally a rather giggly bunch) as they did on that cold, soggy afternoon. What a bunch of troupers!

Thank you to all our parents that came along to our Carnyorth Residential meeting this week. If you were unable to make it, and have any questions, please let us know. After the success of sailing, we are confident they will have an amazing time on Camp.

Miss Thomas, Miss Hodgkinson-Ryan
