

Mullion Community Primary School

Well the last couple of weeks have been jammed packed with fun! We've had BF Adventure camp for Years 3 and 4 with Year 2 joining us for a day packed full of exciting adventure activities. We can't speak highly enough of all the children who attended. They showed great team spirit, kindness, determination and a super time was had by all. A photo booklet of the camp is being put together by Mrs Morris and will be shared shortly. We've also enjoyed sailing, a Helston Library Visit and our service children attended Armed Forces Day in Falmouth.

Our next camp is the Years 5 and 6 residential to Porthpean. The children will be taking part in activities such as stand up paddle boarding, kayaking, rafted canoeing, caving and high ropes, as well as some exciting evening entertainments such as a live performance, laser tag and even a silent disco! (I can't tell you how brilliant the silent disco sounds to the adults attending!) Thank you to those who attended the camp meeting run by Miss Thomas. Slides from the meeting have been sent out if you were unable to attend.

Attached to this newsletter is a letter from Mr Chirgwin and Mrs Pascoe, our Chair of Governors, informing you of the class structure for next year. As you will see, we will sadly be saying goodbye to some of our valued teaching staff—Miss Warwick, Miss Wells, Mrs Jones and Mrs Brown. Also two of our support staff—Miss Hodgkinson-Ryan and Mrs Coombe. We thank them for their hard work, dedication and splendid contributions to the School. They will be sorely missed and we wish them the very best for the future.

We would like to welcome two new members of staff who have joined our SENDCO support team, Mrs Thorpe and Mrs Nicholas who have already started to get to know the children and we look forward to working with them.

Sports Day

.Well done to all the children for joining in with enthusiasm at Sports Day and really giving it their all. The KSI winners were the Red team and the Yellow team were the overall winners

We would like to take this opportunity to say a huge thank you to the Plymouth Argyle team for organising and running the mornings and we really look forward to working with them next year on a weekly basis. Another big thank you goes to the Friends of Mullion for providing cakes and refreshments for the two days which raised £116 We really do appreciate the time given to making these events the best experience that they can be.

This week we had back-to-back sport days on Monday and Tuesday. There were many different events to participate in including sprinting, javelins and sack races. Everyone had a good time.

I decided to put aside my reporter's notebook for a moment and enter some of the races. Firstly, the year five girls' sprint. I came last, but someone had to.

I went in for the sack race. I came last, but someone had to.

At the end my year did the obstacle relay race and my team came... FIRST! But someone had to!

We all hope the footballers will come back again soon. Huge thanks to Plymouth Argyle for supporting our school.

Trevassack Lake

On Friday 16th June 2023, the years 6's of Mullion Primary School ventured out to the amazing Trevassack lake to learn how to kayak, sail, and swim. A lot of mistakes were made like falling into the water, colliding into others and even flipping their boats over, but as most of you probably know that making mistakes teaches you a lesson and it seems that they did not only have fun, but their experience of sailing expanded vastly. This proves that practice makes perfect.

Pupil News

A huge well done to the 7 children from Mullion Primary School, who represented Mullion SLSC at the Max Hockings Event at Hayle on Sunday.

You dug deep showing determination and great team spirit, taking part in swimming and board events before the obstacle race to finish off. Well done to Maddie, Pixie, Oscar, Lily, Gruff, Toby and Emmy.

Well done to those children who came along to the Cross Country fun run. It was a super hot evening but you were all fantastic and ran your legs off! The run was followed by the awards ceremony and we came 3rd overall out of 16 schools who took part. Over the season 39 children in KS2 have taken part in at least one race. 13 children received endurance medals for running in 5 or more races. Felix came 1st in his year group, Maya came 2nd in her year group, and Indah came 3rd in her year group. There is also a special medal for Maya who got more than 500 points across the 6 races.

Thank you to all the parents who have supported your children throughout the season!

Armed Forces Day

We were invited to Falmouth to help celebrate Armed Forces Day. Our service children took part in STEM activities including making rockets, dressing up in old style military uniforms, learning about what facilities are on a Navy ship and we saw the Typhoons do a fly past!

Usbourne Books

Thank you to all the children who raised money during World Book Day. As well as this the PTA and Usbourne Books have donated extra money so we have had an amazing £960 worth of books delivered to our school today. Thank you to Arlo's mum in Pebbles for organising. There are a variety of books including factual history, science, geography and E-Safety books plus lots of fictional novels for the children to enjoy.

Helston Library Visit

Waves had a fabulous time at Helston Library on Thursday morning. We were invited to take part in a workshop and performance with the award-winning 'Cornish Caretakers', and were delighted to discover that Ed, (one of the performers from our Minack Theatre Workshop earlier in the term), was leading the show!

The children played a board game called 'Kernow' to discover amazing facts about Cornwall's history, its language and its people. We were then blown away by the 'Cornish Caretakers' energetic play, which brought to life Cornish Hedgerows (which are over 6,000 years old), re-enacted the historic fight against Henry VII (with a little help from a royal Glyn) and Mary Kelynack's famous walk from Newlyn to London in 1851. What a morning!

Waves children now have their very own library card, and if they visit Helston Library in the Summer, can receive a free book from the Cornish Caretakers about Cornwall (Manga style). Thank you Helston Library for inviting us!

Reminders

Riding Bikes - Just a reminder that no bikes should be ridden on the school grounds. Please can children dismount at the school entrance and push their bikes through the playground to the bike racks. The same will apply at the end of the school day. This is to ensure safety for all entering and leaving the school.

Headlice - Recently, cases of head lice have been identified across the school and we wanted to make sure you were kept informed. Please can you regularly check your children.

Community News
