

Mullion Community Primary School

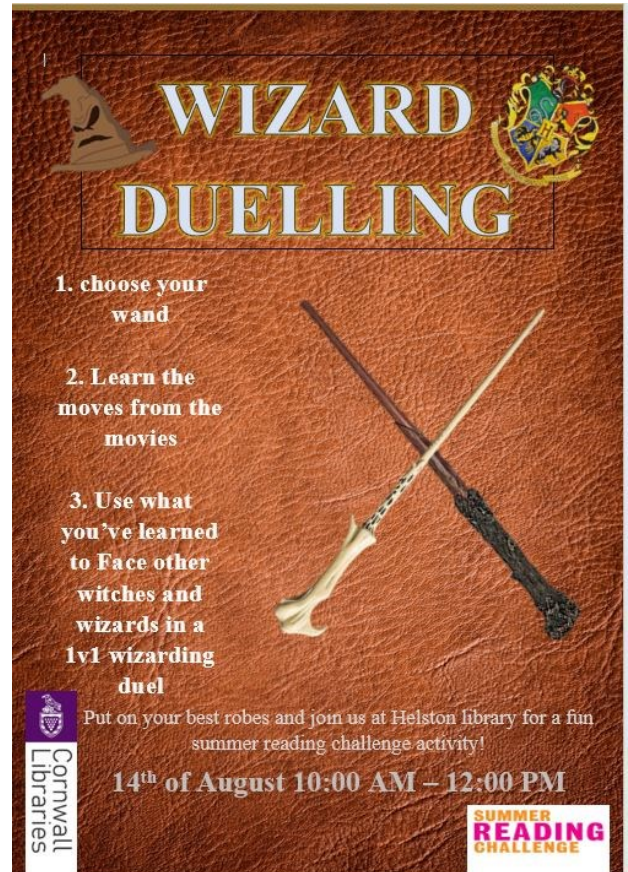

'Brilliant', 'awesome,' 'best time ever' were some of the comments from the Year 5 and 6 children who went to Porthpean camp. It really was a great experience for all and we were so impressed by the way the children rose to the challenges that they faced. High ropes, archery, kayaking, paddleboarding, coastering, climbing wall were met with determination and enjoyed by all. The children were so pleased with their achievements and the staff were really proud of them. A big thank you goes to all of the adults who accompanied the children on the Porthpean and the BF Adventure camps making the experience possible. Another thank you goes to Mrs Morris for putting together photo books of both of the camps. There will be printed copies in reception for all to enjoy.

With two weeks left, school is still busy. Reports are being written and will be with you soon. A transition afternoon has been planned for the last week so that the children can experience life in their new classroom and spend time with their new teachers and classmates. On Wednesday the village hold its annual Horticultural Show and the children have all contributed something to display. Please do visit if you get the chance. We hope to visit as a whole school so the children can see their work on display.

Year 6 are busy rehearsing for their end of year performance and assembly. It doesn't seem long since they were in Reception. Wow doesn't time fly!

Miss Hayhurst

Summer Reading Challenge

The Summer Reading Challenge is back. It's the biggest reading for pleasure programme for children aged 4 to 11 delivered via public libraries. Children can sign up at their local library or online. Last year, in Helston, **255** children joined the Challenge.

How it works:

- Children sign up through their local library and receive a collector folder.
- They set a reading goal and borrow books of their choice during the summer, collecting special stickers and incentives.
- Library staff and volunteers help children to discover new books that suit their interests and reading level and run a programme of free themed activities in the library.
- Children who complete the Challenge are presented with a certificate and/or a medal. You could organise a **special assembly to present the certificates** in the new term.
- Children can take part online, too! www.summerreadingchallenge.org.uk

Fundraising is continuing for our Trim Trial. Our Go Fund Me Page has raised nearly £600 and other activities are taking place.

Serco have very kindly donated £250, and Rea (Chase and Blake's mum) organised a cake sale which raised £146. She is now organising a raffle for an amazing sweet hamper.

We are also organising a Colour Run which will take place on Thursday 20th July.

A colour run is a fun untimed run. Children will run/walk around the school field whilst coloured powder paint is thrown at them at the start and the end of each lap.

How we raise money

KS2 children will bring home a sponsorship form. They can get sponsored for each lap they complete – up to 5 laps or just to participate. We are asking our Reception and KSI children for a £1.00 entry fee. Our KSI children will only be asked to complete one lap of the field. Any sponsorship money you can get would be very much appreciated even if it is a £1.00 and they don't have to do all 5 laps and can walk if they don't want to run.

If you would like to throw powder at your child we are asking for a £3.50 donation and if you donate £5.00 you will be able to throw powder at members of our school staff and governors when they complete the run after the children! Either complete the below Google Form or contact the school office.

<https://forms.gle/7KJa4gStwDBzeBrm8>

This fun event will take place at 3pm on Thursday 20th July in the school field. If you and your family would like to just come along and watch we would appreciate a donation at the gate. The school gates will open at 2.50pm and children will be able to leave with their families after the races which will be approx. 4pm.

Children will need:

- An old t-shirt – preferably white
- Sunglasses or goggles
- Trainers
- A water bottle
- A towel

All the sponsorship money needs to be brought into school either on the day or the following day as it is the last day of term.

Pupil News

Look at our amazing bunch of Year 3-6 from Mullion Surf Life Saving Club who travelled to the beautiful Holywell Bay to take part in the Cornish Nipper Championships. The children had a fantastic time, showing amazing sportsmanship, team spirit and incredible enthusiasm. They gave it their

all ending up in event finals, winning heats and proudly challenging their competencies. They swam in rough seas, challenged for flags and ran long distances on sand.

Well done Emmy, Lily, Felix, Toby, Maddie, Jago and Oscar!

Reminders

Due to the horticultural show this week and year 6 performances next week there will not be a Virtues Assembly for the remainder of term.

Friday 14th will be the last cricket club –all other clubs have now finished for the term.

Diary Dates
