

# Mullion Community Primary School

Last night, we were able to meet with parents who attended the Year 5 and 6 residential meeting. I hope you enjoyed finding out about the trip and all of the exciting opportunities woven through each day. I have shared the slides via email but if you would like any further information then please get in touch.

On Monday, the children enjoyed watching the England v Iran game. It brought out their pride to be British and also gave a valuable opportunity to discuss the controversy of the World Cup being hosted in Qatar. Each class explored this through 'Picture News' which is how we explore British Values. It focussed on the rule of law and individual liberty and the children were able to express their feelings and points of view within their classes with their teacher guiding the discussion.

Today was the turn of key stage two to take part in the multi-sports event in Penryn. This is an opportunity for them to be active and take the lead from some Year 9 sports leaders. They had a fabulous experience and really showed a sense of pride in representing our school. It is also an important way of developing their sense of community within the school sports arena. Well done!

Continuing with our activity, this week Year 6 completed their final swimming session. The lessons they have taken part in have been enjoyed by all; they have had lots of fun, honed their pre-existing skills and learnt some new ones, and they have built their confidence in the water too. They are sad to see the sessions come to an end but have loved every minute!

For parents of children who have individual education plans, in the next two weeks you will receive an email with your child's IEP and an appointment to meet with their class teacher at the start of January. We are in the process of appointing a new SENDCo and hope for them to be able to meet some parents in the new year. In the meantime, please rest assured that we will continue to support all children with different needs as always.

If you have any queries please contact us on [hello@beyondthewave.org.uk](mailto:hello@beyondthewave.org.uk)

# Pupil News

Congratulations to Alex D in Year 5 who passed his karate grading on Sunday to get his purple belt. He is now only three belts away from black belt! Also to Devon in Year 6 who undertook the cycling challenge around the village for a continuous ten miles in October; Devon actually managed an impressive 22.5 miles in total - over two times the target!

Two super achievements, well done!

## Family Support

Attached to this newsletter is the Cornwall Council parenting support offer. This is part of their Special Educational Needs offer. If you feel that any of these sessions would help and support you and your family, please let us know and we can help to make the necessary referral to the course.

**Parenting offer – what's new in January 2023?**
