Well, after the absolute success of the Christmas Fair, things are starting to get festive in school this week. It has been a pure delight to walk through the school and hear the melodies wafting from the classrooms as the children practice for next weeks performances. We are thrilled to be returning to Mullion Methodist Chapel again and whilst we know that space is limited, we hope as many of you as possible can come along. Younger children can come along if they sit on laps!

We are continuing learning as usual next week but will have a slightly different timetable in place to make room for our delicious Christmas Lunch, performances and, of course, a celebration in classes before we break up. If you haven't done so already, please remember to book in for your child's Christmas dinner which is on Wednesday 14th.

We must also say a huge thank you for your support in donations for the Christmas Fair and for joining us. Father Christmas went down an absolute storm, the class stalls were sold out and many teas and cakes were served. The PTA and staff at school did a superb job in bringing this event together and the children thoroughly enjoyed it. A whopping £1000 was raised which goes straight into the PTA pot for use across the school and working towards achieving our school mission and aims. We know that this Christmas may be challenging so hope that we could offer a festive feel that didn't break the bank. Father Christmas will also be visiting us next week and making sure that every child has a little gift this year.

As part of our school development plans, we have been working hard to improve behaviour in school this term and have made good progress with this so far. Part of this work has been to rewrite our Behaviour and Relational Policy (formerly the Behaviour and Discipline Policy). This has now been approved by our Governing Body and will be implemented from January. It is clear, concise and easy to read and very much based around growth, personal development and relationships. You can read it now as it is live on our website: <https://www.mullion-ji.cornwall.sch.uk/web/policies/26357>

Have a wonderful weekend!

# Sports News

After just 3 sessions at netball club, some children from Waves and Surfers attended their first ever netball tournament. This was the area finals at Penryn College and the teams that we faced had qualified for this competition through various local tournaments. So we went along knowing that this was going to be a tough task – particularly as we had never played such a competitive match before! The children had to develop their game playing skills rapidly through

the tournament and although they didn't win a match, the progress that they made as they played was enormous. They worked extremely hard as a team to score three goals, which were rightly celebrated as if they were the winning goals. I am so proud of the effort, resilience and determination that all the children demonstrated during the tournament. Every single one of them should be commended for their fantastic fair play and integrity. They came out of every game congratulating the winners and being proud of their own performances. The enjoyment they got from taking part was clear for all to see by the smiles on their faces too. Well done to Mullion CP School netball team. I look forward to more matches in the future!

## Miss Wells

Congratulations again to our amazing Football Team who won their last match at Helston by 2-1. It was a great team effort with everyone showing determination and outstanding team work. Indah scored the first goal and Alex D took a penalty shot to win the match against Porthleven Light Blues. We look forward to our next matches next term.
