Blue Peter Book Badge Success!

During our first book club in the autumn term, we wrote book and author reviews and applied for Blue Peter's new book badge. We are thrilled to discover that those children received their Blue Peter badges through the post this week. They have been wearing them with pride in school this week and have already begun to plan the places they can visit with their free entry cards.

If you want to apply for a badge at home, follow this link to find out more. <https://www.bbc.co.uk/cbbc/joinin/about-blue-peter-badges>

Reading Journals

Over the next week, all children will be bringing home a new reading journal. Their teachers have talked to them about how to use and enjoy them and what we are expecting. Please take the time to read the journal - there is lots of useful information in them for families and it explains how they should be used. An adult from home should also counter sign reading at least weekly please. During World Book Day week, we will be hosting a reading cafe each morning where families can come and stay for a little bit and there will be a chance to chat about the reading journals.

Sports News

Well done to our amazing Year 5 and 6 girl's football team who competed in the Peninsula Finals at Penryn College today. They played 5 matches and won against Threemilestone with Lexie scoring a superb goal! They showed great determination and enthusiasm and came 8th overall. Unfortunately Fia was unable to play due to an injury but has now discovered another talent—cheerleading!

Please remember to complete the below form if your child wants to take part in the KS2 Cross Country Race which is taking place at 4pm on Tuesday 27th February at Helston Community College North Site.
