

Mullion Community Primary School

It's the end of the second week and school is back in full swing. Clubs have started, swimming is underway for year 4, year 5 have been on another super trip (read on to find out more) and we've had our first Virtues assembly of the Summer term. We look forward to next week with the fun of our Coronation Day (make sure you read on for a reminder of the details).

Below is our current Wall of Frame project. I have decided to extend the deadline for entries until Friday 5th May. The current theme is 'Cornwall' which gives plenty of scope for creativity with all of the beautiful scenery we have on our doorstep. Please remind the children that I am looking for the children to apply the skills that they have learnt in school to the very best of their ability. The exhibition is designed to celebrate the highest quality that they can produce. Be creative, think outside the box—entries could be poetry, photography, sculpture (this could then be photographed), detailed sketches, paintings, collages or even a postcard from Cornwall!

WALL OF FRAME

Exhibition **03** Theme: **Cornwall**

Paint, rhyme, sketch, model, stick, and smudge. Let's decorate our school with your wonderful Creativity!

We are so lucky to live in such a beautiful area. What does the theme, 'Cornwall' mean to you? Perhaps it could be the landscape, fishing, farming, the history, the food or many traditions.

Entry Guidelines

- All entries **must be** A4, either landscape or portrait and follow the brief.
- Entries can be drawn, painted, collaged, digital art, textiles, creative writing, poetry.
- Please make sure your name is on the back and if you would like to give your piece a title, write it on the back.
- All pieces that are submitted **must be** presented to your highest quality to be exhibited on the Hall of frame.

Please hand in your entry to Miss Hayhurst by Friday 5th May 2023

Sports News

Year 4 said they have enjoyed their swimming lessons so far and look forward to going next time, they love learning new strokes- one being the dolphin stroke and developing their back stroke. They've been practicing all the strokes, some learning to put their head underwater, and swimming without using a float!

Rafi's News

Year 5 was off on another trip on Wednesday, this time to Falmouth to attend a Junior Life Skills Day. The event was hosted at the Fire Station and while we were there we saw presentations about different aspects of safety. These covered using buses, checking our bikes, understanding the lifeguard flags on beaches and learning CPR. Everyone had a go at performing chest compressions on the mannequins. We all came away with lots of valuable knowledge.

A School Snapshot

The RNLI visited the school on Thursday to talk about safety in the sea.

The children have also started creating decorations for the King's Coronation!

Year 5 Junior Life Skills Trip

On Wednesday afternoon Waves Class had the opportunity to visit Falmouth Fire Station to take part in a Junior Life Skills event. There were workshops provided by Cornwall Council in partnership with the RNLI, Cornwall Police, NHS, Fire Service, Bike it!, Great Western Railways and local bus companies.

They learnt all about: delivering CPR, preventing choking, cycling safely, using local buses and trains, beach safety, fire prevention and the importance of not dropping litter, picking up dog poop and where to (or not to) park. In fact, all Waves are now expert traffic wardens, so beware! We even had an unexpected rescue from a locked toilet by the fire service. Luckily, we were at the Fire Station!

What an eventful afternoon.

As always, the children were full of enthusiasm, asked lots of thoughtful questions and learnt so much. We were very proud of them!

Reminders

The Coronation of King Charles III is approaching and we will be celebrating on Friday 5th May.

Children are invited to come to school dressed as a King or a Queen in history. Alternatively they could share a poem, a rhyme, a fact or a story about Kings and Queens from the past. The children could wear crowns or bring a symbol to represent monarchy. Anything goes! We want to celebrate the coronation of our new King. During assembly we will form a timeline, tell horrible history facts and share stories and rhymes. The school lunch that day will be a royal roast. The parish council will attend and give each child a coronation momento.
