

Mullion Community Primary School

What a fabulous and unifying week we have had. A huge thank you to all families who were able to join in with our very informal School Vision sessions on Monday. It was a delight to talk with so many families about what is important to you for your children and how we can work together going forward. As promised, the Google Form version has been sent out for anyone who hasn't had the opportunity to share their ideas. The children have also taken part in the process, but I will leave the School Council to tell you more.

Next week sees the start of our new school clubs. The Cross Country and Football clubs are tied to league events so we should have some fixture news in the coming weeks to share and then, hopefully, some news of successes and challenges in any events! If your child is keen to represent our school at a sporting event, then do not fear! There are many Cluster Sports events coming up such as Badminton and a Swimming Gala. We also have Year 5 and 6 children completing their Bikeability training in the coming weeks and months. If your child is in key stage one, there is still room in the KSI Multi Skills Sports Club with Sam Jane so please get in touch if you're interested. It is a great way to keep them active and explore fun ways to stay fit!

In an event that often makes the children giggle in September, they have been hard at work creating Christmas cards already for the Cauliflower Card orders! I've wandered through to see their creations and every year they just get more impressive. These will come home shortly and orders must be returned by Monday 3rd October. This is organised each year by Miss Hayhurst and the PTA and not only generates wonderfully personalised Christmas cards, but pennies for the PTA kitty! The PTA are also running the 'Bags to School' project again this year so if you have any items to clear out then please return your bags on September 30th (please do not return them before this date as we cannot store them in school).

And finally, a polite reminder that Monday 19th September has been granted as a Bank Holiday as a way to celebrate the life of our long-serving Queen. We hope that you are able to celebrate in some way her remarkable life and look forward to seeing you all again on Tuesday.

Mrs Read

School Council News

As school councillors, we take your ideas and we discuss them in our meetings to see what we can do as a school to compromise, accept or decline to make Mullion Primary a better place, a better learning environment and a better place for us to learn life skills. This week we discussed what 'makes us Mullion'. As class representatives our role is sharing ideas and discussing plans. We promise to you that we will include everyone's ideas and respect opinions. We are reassuring you that all school council's acts are benefiting Mullion Primary.

Pupil News

If your child has taken part in this years' summer reading challenge with the library, then they should receive their certificate and medal directly from the library this year. Please bring them in to school to share with us so we can celebrate your achievements!

Mrs Savage and Miss Hayhurst were the lucky audience for some creative paintings by Andrii this week. He has been working hard on developing his art skills at home and produced several pieces using acrylic and a range of techniques. Thanks for sharing these with us!

If your child has something special they'd like to celebrate or share with us then please do send it in or email me at: head@mullion-ji.cornwall.sch.uk
