

Friday 6th October 2023

What a fantastic evening at the **Helston Cross Country Event** on Tuesday. 50 children took part in the KS1 running event and over 150 in the KS2 competition. 20 children ran for our school and they all did extremely well especially Zara and Zoe in Year 3—Zara came 1st and Zoe came 3rd in the Year 3 race. All children who run gain points for our school so we hope to continue to see lots of children at these events. The next one is on the 7th November at Mullion Secondary School. Well done to all our runners!

Some of our Year 5 and 6 children took part in a **football** tournament at Mullion School on Tuesday against Grade Ruan. After a fantastic match and great effort by our players the final score was 11 : 7 to Grade.

The PTA meeting will be held on Wednesday 11th October at 2.45pm in the school hall. Everyone is welcome and you don't have to join the committee to help with fundraising. Two events that have recently been booked are the **Halloween Disco** on the 31st October and the **Xmas Fayre** on the 15th December—times to be confirmed.

The deadline for **free delivery of school photos** is this weekend. Photos can be viewed on-line by using the personal access code that your child took home. If you need a copy of this code please email hatchboxphoto@hotmail.com.

Year 4 and 5 were delighted to take part in a workshop with **Spaceport Cornwall** to celebrate Space Week on Tuesday. Fritha ran a workshop with the children, all about the role of Spaceport Cornwall in the UK Space Industry and effective rocket design to launch a satellite. The children then designed and built their own rockets, using all that they had learnt. They demonstrated enthusiasm, teamwork and resilience, overcoming problems to engineer fantastic rockets. The launch was a real success, resulting in all rockets making it into space (with a couple on the roof!).

What a blast!

Care for our school and everything in it

School Council Report by Rafi

Recently the school council has undertaken a survey about playtimes. This survey took place over 2 days and 48 children responded. As a result we are introducing outside bins, flower and vegetable patches, litter-picking and recycling teams. More sporty activities, lego and den materials were requested. As one of the school council members, all I want is to keep our school and the environment clean, safe and fun.
